PINE ROOT FARM & MARKET

ROUTE 113, STEEP FALLS, ME • 207-272-2257

It's time to sign up for this year's **Farm Share Program!**

It's very similar to the CSA concept,
 but is designed to be simpler and more convenient...

Here's how it works:

By purchasing a Farm Share you are giving the farm much needed start-up funds in the lean months of spring, and in return your family enjoys a **10% discount on local, fresh produce and products from a trusted source.**

FOR EXAMPLE:

Mrs. Peppers buys a \$90 farm share in the Spring, and the farmer credits her account \$100. Mrs. Peppers can then shop at the farm stand all season long, any day of the week, for whatever she wants and the farmer records it on her account.

She can recharge her account at any time, and at the end of the season any unused value will be put towards our Prescriptions for Produce Program to help feed Mr. Sweet Pea and his family next door.

The trail, 1.2 miles out and back total, meanders slowly uphill through forested terrain, culminating in a lovely grove of mature pines at the head of the cascades. A short adventure to be sure, but enough to whet an appetite.

Bradley Tyne Murch

WEST BALDWIN - Bradley Tyne Murch, age 30, passed away unexpectedly at his home on March 8, 2025. He was born February 23, 1995, in Portland, Maine to parents Troy and Sarah (Sanborn) Murch.

He graduated from Sacopee Valley schools and was proud to be in the JROTC program for 4 years.

After completing high school, Bradley enjoyed spending his time with his family and doing many things outdoors. His favorite activities were fishing, swimming, hiking, hunting, and video-gaming. Outside of his love for nature, he was mainly a homebody who aspired to travel.

Recently, Bradley became a father of Riley May Murch, his 1.5 years old daughter, and was a very incredible dad. He especially loved to sing and dance with her. Bradley had a second family at Call's Shop 'N' Save in Cornish, where he worked as a meat cutter. He will be remembered as a father, a fiance, a son, a goof-ball, and a hard-worker.

Bradley and his fiance, Michelle, were working on building their home in East Baldwin.

OBITUARY

James A. Stevens

BUXTON - James A. Stevens, age 51, passed away at home with family by his side on March 9, 2025, after a valiant battle with cancer. James was born in Portland, Maine on June 5, 1973, son of Ruth (Pierce) Snyder and the late Daryl Stevens. He was the oldest of his siblings and grew up in East Waterboro with his mom and stepfather Steve Snyder. He attended Massabesic High School, Class of '91.

In his late teens he learned the flooring trade and continued in the flooring business even through the beginning stages of his cancer journey. He was talented in this line of work, and always proud of every job he completed.

Throughout his life his hobbies included playing the drums, listening to heavy metal and hard rock, skateboarding, juggling, target practice, and watching old Westerns. He loved his time with family at his Grampa Steven's hunting camp, where he learned to hunt, fish, and play cribbage with his dad and grandfather. He liked spending time at Beech Ridge watching his stepdad race and going Downeast every summer to rake blueberries. He loved mind puzzles, reading, word of the day, and tinkering on machines.

With his sons he enjoyed fishing, going to the races, playing the racing game Gran Turismo, listening to music together, and teaching them music history. They also shared many late-night phone conversations over the years, talking about anything and everything.

Collecting RC cars was a new-found hobby after his cancer diagnosis. He loved working on his cars, of which he had quite the collection. He was often tinkering, trying to find ways to make them better and faster. He and his stepdad, Steve built an RC car track to test them on. They kept it maintained with the help of his nephews, and they would all race cars together. In addition to his family, James cherished many years of friendship with his beloved friend, Sue Woodbury. He always looked forward to their routine Sunday get togethers where they shared various adventures right up to his last days.

James was predeceased by his father, Daryl. He is survived by his mother, Ruth (Pierce) Snyder and stepfather, Steve Snyder of Buxton; and stepmother, Linda (Ingalls) Stevens of Windham; sons, Sean Austin and James Stevens of Winthrop; siblings, Kelly Latini of Windham, Chad Stevens of Buxton, Renee DeLapp and husband, Jason of East Baldwin, Stephani Martin and husband, Brett of Hillsborough, NH, Kris Berg and wife, Alicia of Porter, Becki Webber and husband, Jason of Limington, Aaron Berg and partner, Kristen of Vassalboro, and Missi Charles and husband, Ryan of Steep Falls; as well as several aunts, uncles, nephews, nieces, and cousins.

A funeral service will be held on March 22, 2025, at 2:00pm at the Chad E. Poitras Cremation and Funeral Service Chapel, 498 Long Plains Road, Buxton. Visiting hours will be prior from 1:00-2:00 pm. A reception will follow in the Fellowship Hall at Grace Bible Church, 74 Deering Road, Gorham, Maine. Online condolence messages can be submitted at maine-funeral.com

In lieu of flowers a donation may be made to:
Northern Light Mercy Cancer Care and Infusion
195 Fore River Parkway #360
Portland, ME 04102

Please direct donations toward the patient assistance fund.

A special thank you to all the staff at NLMCCI for their exceptional care and loving support throughout his journey.

OBITUARIES

OBITUARY

William Fred Davis

William Fred "Moose" Davis passed away unexpectedly at the age of 77, holding the hand of his wife of 60 years, Sharon "Ducky" Davis, on March 5, 2025.

Moose proudly served in the 5th Marines, during the Tet Offensive, while stationed at An Hoa Combat Base during the Vietnam Conflict. After returning home, Moose served with the 1st Marines as a Military Police Officer at the U.S. Naval Air Station in Brunswick, Maine. During that time, he was certified as an Aircraft Crash Fire and Rescue Man, Fire Marshal, received the National Defense Service Medal, Republic of Vietnam Campaign Medal 1960, Combat Action Ribbon, Republic of Vietnam Service Medal with Four Stars, two Good Conduct Medals, Rifle Marksmanship Badge and Pistol Marksmanship Badge. On February 2, 1972, he exited service as a Lance Corporal.

After serving, Moose took his young family to Lamoine, Maine, where they built their log cabin forever home from the trees off the property. He spent his life meticulously improving and finishing the beautiful cabin. He loved being a Marine and was very proud of his service.

He enjoyed hunting, riding his Harley-Davidson "Baby-Doll", shooting guns, pressing ammo, and teaching life lessons. Throughout his life, Moose adopted several "strays", children and animals alike. He enjoyed the satisfaction of carpentry and fixing anything with his hands. Often working on his house, in the barn, or on his "little car". Shooting was a passion, and he taught several of his "kids" marksmanship and how to handle a weapon correctly. He was looked up to and respected by many. He loved his family fiercely.

Moose was predeceased by his parents, Walter C. Davis Jr. and Maxine Mae Finely; grandparents, Vera and George Simmons; his "Wild Cat" sisters, Debbie Innes and Gail Fowler; and his chosen son, Mark Sanchez.

He is survived by his wife, Sharon "Ducky" Davis; daughter, Rebecca Crabtree; son, Paul Davis; sisters, Bethany Brown and Phyllis Davis; grandchildren, William Hisler, Matthew Crabtree, and Merna Mae Davis; several great grandchildren; and chosen brothers, John Dragon and Jerry O'Rourke.

A service will be held on his birthday, March 23, 2025, at the Franklin Vets Club, 4 Cards Crossing, Franklin, Maine 04634. Doors open at 2pm, Funeral Honors start at 3pm. His favorite sweets and coffee will be provided, and the club bar will be open. In lieu of flowers, please donate to the Saint Jude Children's Hospital in his name.

SPECIAL GUEST BOB CROWLEY

Have you ever wondered what it takes to win a reality TV show like "The Survivor"? Bob, the oldest champion of the show, knows a thing or two about resilience and adventure. His life is a fascinating tapestry of diverse experiences that have shaped him into the inspiring figure he is today.

Bob's journey is far from conventional. He has worked as a lobsterman, explored an entomologist, and as a forester. His love for knowledge led him to the classroom, where he shared his passion for science as a physics teacher.

But it was his time on "The Survivor" that catapulted him into the limelight. Bob's strategic thinking and adaptability led him to victory, making him the oldest winner in the show's history. His stories from the show are both hilarious and insightful, offering a behind-the-scenes look at the challenges and triumphs of reality TV.

Today, Bob is dedicated to giving back. He owns and operates Maine Forest Yurts, a unique retreat surrounded by nature's beauty. Moreover, he runs The Durham Warriors Project, a nonprofit organization supporting disabled veterans.

Randi's continued search for a Living Kidney Donor... Please consider a Gift of Life.

Dear Friends & Family,

Some of you may know that I have kidney disease. Over time, my kidney disease has gotten worse, causing my kidneys not to work well enough to keep me alive. My treatment options at this time are limited to dialysis or a kidney transplant. I have been on dialysis since May 2023, 3 days a week for 4 hours each day. This is helping my kidneys do their job of removing wastes, toxins, and extra fluids, but the longer you are on dialysis the more your health deteriorates.

However, a living donor kidney transplant would offer me much more freedom and the ability to live a longer, healthier, and more meaningful life. A transplant would also give me more time to do the things I love most, such as spending time with my family and friends, my partner Nick, my pets, helping others, and being outdoors.

Finding a kidney is not easy. People who are on a wait list for a kidney from a deceased donor often have to wait 5-10 years and the kidney on average lasts 10-15 years, but the average wait list for a living kidney donor is much shorter, and the kidney typically lasts 20-30 years. It also has much better function.

In order to donate, living kidney donors get a careful and thorough evaluation with their own team of health professionals to see if you could be a match for me and to ensure that living donation is as safe as possible for you.

I would like to share with you some basic information about kidney donation.

- 1) You only need one kidney to live a long, healthy life.
- 2) The surgery for a donor is done laparoscopically, meaning through tiny incisions, and the recuperation period is fairly quick, generally only a few weeks.
- 3) The cost of an evaluation and surgery would be covered by my insurance. There are also programs like Donor Shield to help cover other expenses.
- 4) Although I am 0+ blood type, you do not necessarily have to have the same blood type or tissue type to be a match.
- 5) There is no age limit to be a donor. You just have to have a healthy kidney.

In order to express your interest in becoming my kidney donor, you can fill out the form at this link: mmc.donorscreen.org/register/now. Upon submission, the Maine Transplant Program will be in touch with you. To learn more about kidney donation, you can go to the National Kidney Foundation's website: www.kidney.org/livingdonation or call Jullie Hoggan, kidney transplant navigator, at Square Knot Health: 617/468/1382. There are also many other websites that can help you learn about kidney disease and donation.

Thank you for taking the time to read my story. A major way you can help me is to share it with your friends and family and on social media.

With much appreciation,

Randi Gelfman

GET YOUR SMILE BACK!

*"After having the same denture for 50 years, the transition was amazing! The staff at Denture Solutions are Rock Stars! I am deeply, deeply grateful."
- DJB, Buxton, Me*

BEFORE **AFTER**

ARE YOU WEARING A TRUE PROSTHETIC OR ARE YOU WEARING A TRADITIONAL DENTURE?

- As a denture wearer have you developed deep puppet lines/jowls that make you look older than your years?
- Have you found that you are sometimes hesitating before you smile because there is something about your teeth that just doesn't look right?
- Are you choosing foods to eat based on the lack of stability of your current dentures?
- Do restrictions of the fit of your denture cause you to think twice before engaging in kissing or laughing?
- Is the fact that you have experienced breakage of teeth or of the base of your denture increasing your anxiety level?
- Are you absolutely dependent on the use of denture adhesive? If you answered YES to any of these questions you are probably wearing a traditional denture not a true prosthetic....WE CAN HELP!
